Casetrack # 1999-NOEE-012

SUBJECT: Rockwell Lime Company, A Significant Violator

Dear Mr. Brisch:

The Department of Natural Resources recommends that Rockwell Lime Company be prosecuted by the Department of Justice for violations of air management laws and regulations at the facility located at 4110 Rockwood Road, Manitowoc, Manitowoc County, Wisconsin.

The alleged violation is exceeding particulate matter emission limits in Air Pollution Control Permit 93-RV-108. Rockwell Lime Company has failed to take appropriate action to resolve this matter.

Please contact Judy Doelger, Environmental Enforcement Specialist, (920) 492-5944, if you have questions regarding this letter.

Sincerely,

Brenda B. Hagman, Director  
Office of Environmental Enforcement  
Bureau of Law Enforcement
